

**CALL FOR ABSTRACTS**

ACF 10th International Conference invites submissions of abstracts on conference themes. Under the auspices of the Asian Concrete Federation, the conference will be jointly organized by the Mongolian University of Science and Technology, and the Mongolian Concrete Association on 15-18 August 2024 in Ulaanbaatar, Mongolia.

**CONFERENCE SUB-THEMES:**

**CODES, STANDARDS, AND GUIDELINES**

- Current developments
- Harmonization of codes
- Future trends and needs

**CONCRETE MATERIALS AND TECHNOLOGY**

- New and novel materials
- Multifunctional materials and systems
- Creep, shrinkage, cracking, and fatigue
- Innovative construction methods
- Applied technology and case studies

**DURABILITY**

- Durability and sustainability philosophies, initiatives
- Durability design
- Deterioration mechanisms and modeling
- Chloride and Sulphate
- Frost, ASR, and others
- Corrosion and Carbonation

**LIFE CYCLE MANAGEMENT**

- Maintenance
- Life cycle assessments and service life design
- Low impact development
- Carbon footprint assessment
- Repair methods, materials, and systems
- Testing methods, sensing technologies

**STRUCTURES**

- Behavior modeling of elements and structures
- Analytical modeling
- Numerical modeling
- Seismic resistant design

**IMPORTANT DATES**

Abstract submission deadline: **31st January 2024**  
 Extended abstract submission deadline: **10th February 2024**  
 Early bird ticket: **Before 1st May 2024**  
 Deadline for presenter registration and payment: **1st July 2024**

**CONFERENCE FEE**

TYPE	Early bird before 1st May 2024	Regular after 1st May 2024
STANDARD	320 USD	380 USD
STUDENT	160 USD	200 USD

ALL ACCEPTED EXTENDED ABSTRACTS *will be published*  
IN THE CONFERENCE PROCEEDINGS
